E. Under Canopy Sign **(Revised 1/5/2006)**

1. Each Shop Tenant shall be required to install graphic copy, at Tenant's cost, on the under canopy blade sign furnished by the Developer in accordance to the specifications contained in this Comprehensive Sign Plan. Anchor, Majors and Pad Tenants shall have the option to do so. For cost efficiencies and design/construction uniformity, all under canopy blade signs will be manufactured by the Developer's project sign contractor and purchased in bulk by Developer. Each Tenant that is required to have a blade sign shall reimburse the Developer for the cost of the display and its installation thereof.

2. All under canopy blade sign copy shall consist of flat cut out graphics and shall be surface applied to both sides of the display. The Developer and/or Developer's Agents shall approve in writing all copy and layout prior to its installation. Each Shop Tenant shall furnish and install the approved copy for said display at Tenant's sole and separate expense. For convenience, Tenant can furnish the copy to Developer's project sign contractor for mounting and/or can provide the project's sign contractor with electronic art suitable for production. Tenant shall pay for all costs associated with the production and mounting of Tenant's blade sign copy.

3. The blade sign shall be suspended and/or projected using a mechanism consistent with other under canopy blade signs throughout the Crossroads Towne Center - Chandler as specified.

IV. GENERAL CONSTRUCTION REQUIREMENTS

- A. All exterior signs shall be secured by concealed fasteners that are stainless steel, nickel or cadmium plated.
- B. All signs shall be fabricated using full welded construction.
- C. All penetrations of the building structure required for sign installation shall be neatly sealed in a watertight condition.
- D. No labels or other identification shall be permitted on the exposed surface of signs except those required by local ordinance, which shall be applied in an inconspicuous location.
- E. Tenant shall be fully responsible for the operations of Tenant's sign contractors and shall indemnify, defend and hold Landlord

harmless for, from and against damages or liabilities on account thereof.

V. ADDITIONAL QUALITY STANDARDS

1. All freestanding site signage along Gilbert Road and Germann Road have been designed to be erected on low planter walls and masonry bases in lieu of pole mounted freestanding monuments thereby enhancing aesthetics and creating a shared identity for the site.
2. ST 2 freestanding site signage along Gilbert Road and Germann Road have been designed to include a landscaped planter feature as part of the sign base. Other freestanding sign types will be erected in locations with enhanced landscaping surrounding the sign's base.
3. Additional design amenities include replicating design features of the project architecture and utilizing materials and colors approved as part of the project's palette. Application of tenant copy on freestanding site signage will be limited to a rigid specification thereby insuring an aesthetic and visual appearance.
