

SCOTTSDALE TOWNE CENTER

CONTRACTOR RULES AND REGULATIONS

I. INTRODUCTION

It is the responsibility of the contractor to communicate all information contained herein, and in other documents and agreements, by which he/she is bound to all employees, suppliers and any others providing services through the General Contractor. In no case will an entity's lack of knowledge of any regulations contained herein or in any other document constitute reasonable grounds for failure to comply.

These rules will be strictly enforced and failure to comply may result in work delay, work stoppage or fines. Vestar reserves the right to request the Contractor stop work for any reason it deems to be in the best interest of the shopping center. Proper communication and willingness to cooperate can alleviate, if not eliminate, many problems.

5. Provide a copy of the building permit as approved by the municipality.
6. Copy of as-builts submitted to Vestar upon completion.
7. A refundable construction damage deposit in the amount indicated in Lease is required for any Tenant work payable to **Imagine Scottsdale Towne Center, LLC**. If an amount is not indicated in the Tenant Lease, the check should be issued for \$2500. Any violations of policies and procedures will be subject to construction deposit.

III. RULES & REGULATIONS

1. If Tenant's work includes the exterior of the building, storefront or common area, at a minimum Tenant's contractor shall construct an 8ft temporary, dust control barricade, suitable for paint and/or graphics. Tenant or Tenant's contractor shall submit a barricade plan to Landlord for review and approval prior to the start of construction.
2. Tenant or Tenant's Contractor is required to coordinate with Vestar Property Management for the type, size and location of a construction dumpster. Dumpsters with graffiti will not be allowed on property and must be immediately removed.
 - a. Contractor must place privacy fencing to surround the dumpster (fencing company may not drill holes in asphalt).
 - b. Contractor must place ¾" plywood under the dumpster (and storage container if applicable) to prevent asphalt damage.
3. Tenant or Tenant's Contractor shall coordinate with Vestar Property Management for information regarding required Roofing, and Fire Alarm vendor.
 - a. For Landlord required vendor to connect to existing fire and sprinkler monitoring, contact the Property Manager.
 - Sprinkler Monitoring: contact mall management to place system on Test
 - b. Raise the Roof - Required trade contractor for roof penetrations and repairs, Joseph Enoch Alvarado – Roofing Manager, Phone 602-319-7103 – raisetheroofaz@gmail.com
 - c. All State Fencing – Recommended privacy fence vendor, Phone: 602-233-1433
4. Any noise producing work (i.e. saw cutting, drilling, hammering, etc.) should be completed before or after Center hours. (See project work hours below).
5. Use of the front door is prohibited during construction unless there is no access through the rears.
6. Contractor's materials must be stored inside Tenant's space, or fenced in staging area in parking lot, at all times.
7. Any modifications on sprinkler system and/or fire control systems will be made at Tenant's expense and coordinated with Tenant Coordinator in advance of the work being performed.
 - a. Tenant must contact mall management to schedule a shut down.
 - b. Shut down and work must be performed outside of mall hours.
 - c. Fire hose must be connected to fire system drain pipe that leads to the nearest catch basin to prevent rust and hard water stains on concrete and hardscape.
8. Installation and removal of temporary storefront barricade must be completed either prior to or after Center operating hours. **Please see the barricade requirements on page 4.**
9. All construction debris must be disposed of properly. No material shall be kept in the service area, common walkways or outside the demised premise. Contractor will be billed at \$55.00 per person per hour if Landlord performs such work on behalf of the contractor.

10. Unless expressly stated in lease construction exhibit, contractor is prohibited from using house-supplied power/utilities for construction purposes. Contractor must supply its' own generator and must coordinate the placement of such generator with Center management.
11. All crane and lift equipment placement must be coordinated with Center management prior to work being performed, and insurance certificate for that vendor is required to be on file.
12. Upon completion of improvements all inspections must be done prior to merchandising and Fixturization of space. **Certificate of Occupancy must be issued, and provided to Landlord, prior to store opening.**
13. Signage must be posted for public safety and/or general warning. Landlord reserves the right to remove unauthorized signage. All construction signage must be approved by Landlord prior to placement.

IV. COORDINATION AND COOPERATION:

The contractor shall not interfere or impede site or surrounding building work. In the event contractor willfully violates requirements of these Rules and Regulations, Vestar Property Management may order the contractor to remove its equipment and/or its' employees from the Shopping Center.

V. JOB CONDUCT GUIDELINES:

Workers shall be confined to approved staging areas and are required to maintain professionalism at all times. Violation of the Job Conduct Guidelines or violation of Basic Safety Rules and Regulations as required by O.S.H.A., entitles Vestar to cause violating individual and/or contractor to be removed from the site. Any injury or accident must be immediately reported, in writing, to Vestar, attention: Veronica Rodriguez, Property Manager.

VI. PROJECT WORK HOURS (Non-Center Hours):

- Monday to Saturday 9:00pm – 9:00am
- Sunday 6:00pm – 9:00am
- Work is permitted during operating hours but not to the detriment of surrounding tenants or center operations. Noise producing work is not prohibited during tenant hours of operation.

VII. ACCESS AND MATERIAL DELIVERY:

It is the responsibility of the contractor to ensure that all personnel and vendors making deliveries to the job site are aware of the job site location and access route. Contractors shall make every effort to ensure that deliveries are made during non-operating. If during operating hours, deliveries must be approved and coordinated by Property Management.

Deliveries to the site shall be controlled so that materials are not stored for excessive periods of time prior to incorporation into the structure or demised premise.

VIII. PARKING:

Contractors and their employees are restricted to the staging areas designated by the Lease Exhibit (or in the absence of a Lease Exhibit, by Vestar Property Management). Construction vehicles parked other than in designated areas may be subject to towing without prior notification. Towing and retrieving costs are at the vehicle owner's expense.

Parking in driveways, fire lanes and established loading zones is strictly prohibited. Delivery vehicles must be completely unloaded at curbside and then moved out immediately. Unattended vehicles in loading zones will be tagged or towed at the vehicle owner's expense.

IX. PROTECTION OF EXISTING UTILITIES:

The contractor is responsible for verifying the exact location of all existing utilities. The contractor shall protect utilities left in service including construction temporary power and telephone lines at all times. Any damage to utility lines caused by the contractor operations shall be reported promptly to the owning utility company and Vestar Property Management immediately. The utility company shall make repairs at the contractor's expense.

X. MISCELLANEOUS PROTECTION:

The contractors are responsible for protecting property, personnel and the work of other contractors in carrying out their work. The contractor is responsible for all cost of patching, repairs and replacement for work damaged by their work forces. The contractor shall take all reasonable precautions to protect their work from damage by other contractors including providing and maintaining protection and barricading of their work area. This includes, but is not limited to, any open trenches, pits and shafts, holes in floor or walls, and similar potentially hazardous areas. All contractors shall fence their respective work and staging area if work is outside the demised premise.

XI. CLEAN-UP/TRASH:

Clean up shall include removal and legal disposal of all debris from the site. The contractor shall remove empty carton, crates and other combustible refuse from the premises daily. Dirt or rubbish is not allowed to accumulate so it becomes detrimental to customers, other tenants, employees or to the work of the various trades. Contractor will be subject to a rate of \$55.00 per hour, per man, plus disposal rates applicable for all clean up related items due to neglect of contractor. Market rate disposal fees will apply. Contractor is required to use wet pads inside their entrance/exit to alleviate dry wall dust being tracked into the Center.

XII. SECURITY:

Contractor is responsible for any and all security for their project.

XIII. COMMON AREA – SMOKING, LUNCH BREAKS AND PUBLIC RESTROOMS:

Job site employees are not to be visible in common areas by patrons for smoke breaks and lunch breaks. Job site employees are also prohibited from using public restrooms in the Center. If necessary, Port-a-Johns will be approved in a location designated by Property Management.
