

BOWLES CROSSING SHOPPING CENTER
CONTRACTOR RULES AND REGULATIONS

I. INTRODUCTION

It is the responsibility of the contractor to communicate all information contained herein, and in other documents and agreements, by which he/she is bound to all employees, suppliers and any others providing services through the General Contractor. In no case will an entity's lack of knowledge of any regulations contained herein or in any other document constitute reasonable grounds for failure to comply.

These rules will be strictly enforced and failure to comply may result in work delay, work stoppage or fines. Vestar reserves the right to request the Contractor stop work for any reason it deems to be in the best interest of the shopping center. Proper communication and willingness to cooperate can alleviate, if not eliminate, many problems.

4. Any noise producing work (i.e. saw cutting, drilling, hammering, etc.) should be completed before or after

Center hours. (Coordinate with Property Management)

5. Contractor's materials must be stored inside Tenant's space at all times. However, if available or necessary, any onsite storage containers or inline storage space may assess a fee of \$100.00 a day.
 - a. Upon turnover of inline space, space must be rekeyed at Tenant or Tenant's Contractor expense.
6. Any modifications on sprinkler system and/or fire control systems will be done by mall contractor at Tenant's expense. Tenant must contact mall management to schedule shutdown. A sprinkler fee of \$175.00 per shutdown may be assessed to Tenant for draining sprinkler system to make modifications. Tenant is permitted to drain sprinkler system twice (2x's) at the above price. Each subsequent draining of sprinkler system will result in an additional \$50.00 assessment. These fees will be deducted from construction deposit.
7. All electrical shut-downs must be coordinated with Property Management 72 hours in advance, performed in off-hours and have a minimum of 4 hour window. All shut-downs must be performed by a qualified electrician with adequate manpower to complete the work with minimal downtime. Tenant or Tenant's Contractor is responsible for providing temporary power if the shut-down will affect operating restaurant Tenants. In any circumstance, power must be back on by 7AM.
8. Tenant's Contractor is responsible, at their own cost, for temporary heat in the space during construction to a minimum of 50 degrees.
9. Installation and removal of temporary storefront barricade must be completed either prior to or after Center operating hours. The barricade will need to be painted to match the color of the existing building (specifications regarding the barricade will be discussed at time of pre-construction meeting). Should the Landlord have erected the dust wall prior to the commencement of Tenant's construction, Landlord will require Tenant or its contractor to reimburse the Landlord for the dust wall at a rate of \$75.00 per lineal foot. Failure to reimburse the Landlord will result in a deduction from the construction security deposit.
10. All construction debris must be disposed of properly. No material shall be kept in the service area, common walkways or outside the demised premise. Contractor will be billed at \$55.00 per person per hour if Landlord performs such work on behalf of the contractor.
11. Unless expressly stated in lease construction exhibit, contractor is prohibited from using house-supplied power/utilities for construction purposes. Contractor must supply its' own generator and must coordinate the placement of such generator with Center management.
12. All crane and lift equipment placement must be coordinated with Center management prior to work being performed.
13. Upon completion of improvements all inspections must be done prior to merchandising and fixturing of space. Certificate of Occupancy must be issued prior to store opening.
14. Signage must be posted for public safety and/or general warning. Landlord reserves the right to remove unauthorized signage. All construction signage must be approved by Landlord prior to placement.

IV. COORDINATION AND COOPERATION:

The contractor shall not interfere or impede site or surrounding building work. In the event contractor willfully violates requirements of these Rules and Regulations, Vestar Property Management may order the contractor to remove its equipment and/or its' employees from the Shopping Center.

V. JOB CONDUCT GUIDELINES:

Workers shall be confined to approved staging areas and are required to maintain professionalism at all times.

Violation of the Job Conduct Guidelines or violation of Basic Safety Rules and Regulations as required by O.S.H.A., entitles Vestar to cause violating individual and/or contractor to being removed from the site. - Work is permitted during operating hours but not to the detriment of surrounding tenants or center operations. Noise producing work is not prohibited during these hours. All construction work to be coordinated with property management.

VII. ACCESS AND MATERIAL DELIVERY:

It is the responsibility of the contractor to ensure that all personnel and vendors making deliveries to the job site are aware of the job site location and access route. Contractors shall make every effort to ensure that deliveries are made during non-operating. If during operating hours, deliveries must be approved and coordinated by Property Management.

Deliveries to the site shall be controlled so that materials are not stored for excessive periods of time prior to incorporation into the structure or demised premise.

VIII. PARKING:

Contractors and their employees are restricted to the staging areas designated by the Lease Exhibit (or in the absence of a Lease Exhibit, by Vestar Property Management. Construction vehicles parked other than in designated areas may be subject to towing without prior notification. Towing and retrieving costs are at the vehicle owner's expense.

Parking in driveways, fire lanes and established loading zones is strictly prohibited. Delivery vehicles must be completely unloaded at curbside and then moved out immediately. Unattended vehicles in loading zones will be tagged or towed at the vehicle owner's expense.

IX. PROTECTION OF EXISTING UTILITIES:

The contractor is responsible for verifying the exact location of all existing utilities. The contractor shall protect utilities left in service including construction temporary power and telephone lines at all times. Any damage to utility lines caused by the contractor operations shall be reported promptly to the owning utility company and Vestar Property Management immediately. The utility company shall make repairs at the contractor's expense.

X. MISCELLANEOUS PROTECTION:

The contractors are responsible for protecting property, personnel and the work of other contractors in carrying out their work. The contractor is responsible for all cost of patching, repairs and replacement for work damaged by their work forces. The contractor shall take all reasonable precautions to protect their work from damage by other contractors including providing and maintaining protection and barricading of their work area. This includes, but is not limited to, any open trenches, pits and shafts, holes in floor or walls, and similar potentially hazardous areas. All contractors shall fence their respective work and staging area if work is outside the demised premise.

XI. CLEAN-UP/TRASH:

Clean up shall include removal and legal disposal of all debris from the site. The contractor shall remove empty carton, crates and other combustible refuse from the premises daily. Dirt or rubbish is not allowed to accumulate so it becomes detrimental to customers, other tenants, employees or to the work of the various trades. Contractor will be subject to a rate of \$55.00 per hour, per man, plus disposal rates applicable for all clean up related items due to neglect of contractor. Market rate disposal fees will apply. Contractor is required to use wet pads inside their entrance/exit to alleviate dry wall dust being tracked into the Center.
