Easter Recap

Thank you again to everyone who participated in The White Rabbit's Easter Wonderland! Your involvement helped make the event a great success. We welcomed over 1,000 attendees, and it was wonderful to see families engaging across the center and visiting participating businesses. A special thank you to the 12 businesses who handed out Easter eggs, we appreciate your partnership in creating a fun, memorable experience. The Alice in Wonderland theme really resonated with guests, and the event also received local news coverage, helping amplify visibility for the center and our tenants.

We also saw strong engagement on social leading up to the event, which helped drive attendance. We're excited to build on this momentum and bring the event back next year - bigger and better, with even more opportunities to get involved!
