Mother's Day Event Recap

Our Mother's Day celebration, The Ultimate Mom Reset, was a huge success, with more than 200 happy moms joining us for an afternoon full of live music, yard games, mimosas, and plenty of fun. The event created a fun, energetic, and welcoming atmosphere, and we are incredibly grateful to the tenants who helped make the day so memorable for our community.

A big thank you to Elements Massage for providing relaxing chair massages, goGLOW for spray tans, Windfall Brewing Company for pouring so many mimosas that we completely ran out of champagne, Carson & Co for offering dozens of dry hairstyling sessions throughout the event, and Facial Aesthetics for providing B12 injections for attendees. Their participation helped turn the event into a memorable experience for our guests, and we hope even more tenants will join us for future events as we continue building exciting community moments together at the Center!
