BUSINESS SPOTLIGHT

This month, we're shining the spotlight on Spirit Halloween! Since opening in August, the store has had a strong season especially on weekends and after-school hours. Their opening also generated plenty of excitement online. Their initial "Now Open" social post received more than 35,000 views in its first week, making it one of our standout tenant posts of the season. With Halloween just around the corner, now is the perfect time to stop in and explore costumes, décor, accessories and plenty of spooky finds. We're thrilled to have Spirit Halloween at OTC this season and love seeing our community show them so much support!

MANAGEMENT UPDATES

- Winter hours begin 10/1 and those hours will be:
  - M-Th: 10a to 8p
  - F-Sa: 10a to 9p
  - Su: 11a to 6p
- The holidays are right around the corner! Click here to view the holiday calendar.
- As we head into colder months, please be mindful of tripping and slipping hazards. Water and snow can be tracked inside, creating potential issues for guests near store entries. We recommend using weather mats at your entrance and keeping an eye out for any hazards. If you notice anything unsafe, please report it right away so we can address it quickly.
- You're Invited: Free Preview Night! The Catamounts invite Orchard Town Center tenants to a FREE Preview Night of SIP on Thursday, October 1 at 7pm. Kicking off their 16th season, SIP is an immersive theatrical drink-tasting experience by Culture House Immersive, running at Orchard Town Center October 2-25. Come experience this unique production! Reserve your tickets here.
- My Kid's Dentist & Orthodontics is hosting a Halloween Candy Buy Back November 3-7. Trade in leftover candy and receive a copy of The Switch Witch, generously donated by BookGive, while supplies last. A great option for anyone who has extra candy left over after Halloween!
